General Information

Lakeside Estates is a community of approximately 200 homes. Monthly meetings are held in the neighborhood or at Panera Bread in Bardmoor Plaza and are announced in the newsletter and on a sign at the entrance. All residents are encouraged to attend. The board is composed of neighborhood volunteers. Membership dues are \$50 plus \$25 for entrance maintenance, a total of \$75 annually. It's never too late to join. Contact Jill Morrison (399-1265).

The Neighborhood Times shows that the first phase of building a treatment plant at the north end of Lake Seminole will begin the last of May. Construction access will be through Tradewinds Boulevard Monday through Friday from 7 a.m. to 7 p.m. with no work on weekends. Residents on Tradewinds will not be permitted to park on the street during those work hours. Kelli Levy is the Program Coordinator for Pinellas County. Board Receives Complaints

The Board has received some complaints regarding residents who are not complying with the Home Owner's Association rules and regulations. Most of the complaints have to do with unkempt yards, boats and trailers in the street and on the property, people not picking up after pets, cars exceeding the speed limit, and commercial vehicles inappropriately parked. Each homeowner has a substantial investment in their home as well as the state of the entire association. These rules and regulations have been created in order to protect that investment and promote the welfare of all homeowners and occupants by ensuring the maintenance of a safe, attractive and pleasant residential neighborhood. The HOA Board of Directors will work to enforce these rules, but the participation and cooperation of every homeowner and occupant is essential to our efforts to maintain a beautiful community.

Articles for the Newsletter

Our goal is to provide articles/information that are of interest to you. If you would like to contribute an article or share information of community interest, one or two line announcements, ads for services provided by homeowners, such as babysitting, yard work, tutoring, etc. you may do so in the newsletter at no charge.

Keep in mind that the newsletter is published every other month, so it may be a month or two before your request is published. Please submit it for review via e-mail to DGBelmonte@aol.com or send it to the Board's mailing address found on this page. We reserve the right not to publish any article that is inappropriate.

Crispy Fish Fillets

2 lemons
1/3 cup butter, melted
1 cup finely crushed potato chips
1/2 cup bread crumbs
1 1/4 pounds mild white fish fillets (I use Tilapia)

Preheat oven to 400 degrees.

Squeeze 1/4 cup fresh lemon juice (about 1 1/2 lemons) and cut remaining half into 4 wedges. Set aside wedges.

In a shallow bowl, combine the butter and lemon juice. In another bowl, combine potato chips and bread crumbs. Brush a baking dish, large enough to fit the fish in a single layer, generously with the butter mixture. Dip fillets in remaining butter-lemon mixture and then in the crumb mixture. Place the fish in the baking dish and bake for 20 minutes. Serve with the lemon wedges. Makes 4 servings.
